acknowledging your acceptance of the terms of enrolment

TERMS OF ENROLMENT

I/We hereby apply to have our child/children, enrolled as a student at Carinya Christian School.

In the event of his/her acceptance as a student at the School, we agree to the following conditions:

1. We acknowledge that the teaching activities and nature of the School shall be in accordance with the principles contained in the Memorandum and Articles of The Tamworth Christian Education Association Ltd. In summary this states that all teaching and learning acknowledges the centrality of Christ, the sovereignty of God and the authority of the scriptures.
2. We agree to provide a copy of the immunisation history statement for each child. (Available from Medicare on 1800 653 809 or via the MyGov website.)
3. We agree to notify the School in writing of all changes of name, address and telephone numbers.
4. We agree that our child/children will take part fully in the educational program of the School.
5. We agree to abide by all the policies, procedures and decisions of the School. We understand the School, in conjunction with the Board of the Association may, at its discretion, suspend or terminate enrolment for serious problems or breaches of School policy or procedures. (NB: Policies and procedures available on the School website).
6. We agree that a position in the School is secured by payment of an Enrolment Administration Fee which is due before the commencement date. The amount to be paid is as set out in the current Fees and Charges policy. We understand that this is a non refundable fee should our child/children be withdrawn before the commencement date.
7. **School Fees**

- 7.1. **Paying fees.** We agree to pay the school fees, including school tuition and other ancillary charges in accordance with the current Fees and Charges policy. We acknowledge that if the school fees are not paid within the period specified then late fees will be charged by the School.

We acknowledge that if the school fees are not paid as per the Fees and Charges policy, the Principal has the right to suspend or terminate our child's enrolment.

- 7.2. **Withdrawing our child from the School after he or she has started attending the School.** We acknowledge that if, after our child has started attending the School, we decide to withdraw our child from the School, we will give at least one full term's notice in writing before withdrawing our child from the School. We understand that if we do not give this notice one term's school fees will be payable. In the event that fees are still owing when our children leave the School we understand that the School will offset fees owing by any credit on our account.
- 7.3. **Absent from the School for an extended period.** We acknowledge that school fees will not be refunded if our child is absent from the School for extended periods due to sickness or injury. We also acknowledge that if we wish our child's place to be held open for reasons such as overseas travel, we will still be liable to pay the normal school fees.
- 7.4. **If our child is suspended from the School.** We acknowledge that the Principal may, at his discretion at any time (in keeping with the School's policies) suspend our child from attending the School and we will continue to pay all school fees and other charges during any period when our child is suspended.

- 7.5. **If our child is expelled from the School.** In keeping with the School's policies we acknowledge that we remain liable to pay all school fees up to the end of the term in which our child is expelled as well as all other charges incurred up to the date on which he or she is expelled.
- 7.6. **If the School ends its relationship with us.** We acknowledge the School's right to require us to remove our child from the School if the School concludes that the necessary relationship of trust and co-operation between us and the School is irreparably damaged. We understand that in these circumstances the school fees already paid for the term in which the student is required to leave will not be refunded. If school fees are still outstanding for the term during which we remove our child, we acknowledge these fees will remain payable.
8. **Joint and several liability.** We understand that both parents in signing the Confirmation and Terms of Enrolment accept joint and several responsibility for paying all school fees and ancillary charges. We understand that "Joint and Several" responsibility for payments means that both parents are responsible to pay school fees. Accordingly, if one parent fails to pay the school fees the other parent can be held responsible, irrespective of any arrangement between the parents or with another person (for example, a grandparent) as to who is to pay. We accept that the School will not enter into disputes arising from disagreements between parents over responsibility for paying school fees.
9. **Indemnifying the School**
- We agree to indemnify the School against any claim, cost, damage or suit which another party brings against the School arising out of our child failing to comply with the School Rules and Conditions or any reasonable direction of a School employee while at the School or travelling to or from the School.
 - We agree to be responsible for the cost of any damage our child causes to School property.
 - We recognise that students are responsible for their personal belongings and that the School will not be liable for any loss of these belongings.
10. **Changes to rules and conditions of enrolment.** We understand the School may amend the Terms of Enrolment from time to time and that any changes will be communicated to the School community and will apply from the date on which they are communicated.
11. **Privacy and use of photographs.** We acknowledge that the School will use the personal information it holds about our child and our family, as outlined in the Collection Notice for Students, for any lawful activity and in keeping with the School's Privacy Policy.
- In keeping with the **Privacy Policy** we consent to our child's photo/video appearing in correspondence, newsletters and magazines to help keep parents informed about school community matters. In addition we consent to the use of images and names being used for marketing, promotional and news activities. Parents/carers may 'opt out' of this additional provision in the use of Personal Information.
12. **Uniform.** We agree to provide our child with the complete school uniform as specified and to observe the "door to door" Uniform Policy as detailed in the uniform guidelines.
13. **Security.** We agree to provide our photograph or to be photographed so that we as parents/carers can be readily identified by staff.
