

## Prohibited and Banned Items in School

In the school community there are a number of items that must not be brought to school by students, to help protect the welfare, safety and health of students. These include items prohibited by law and those items that raise safety concerns for students.

### **Prohibited Items**

- Illicit substances, including but not limited to:
  - Alcohol
  - Electronic cigarettes (E Cigarettes)
  - Tobacco and other drugs
  
- Weapons, including but not limited to, knives

If a student is found with a prohibited item, there will be immediate consequences, including suspension and reporting matters to police as required.
