Information for Parents

The Homework Club is designed to help students in Years 5-12 set some specific time aside to get homework done for the following week. It is not meant to replace time spent on homework at home, but to help develop the habit of giving dedicated time to meeting their responsibility to complete their homework.

Experience confirms that routine and habit is the most effective way to complete school work.

Please Note:

- Supervision will be by the school Executive staff
- Students must register for each session: a roll will be marked
- Parents may register by emailing the school admin@carinya.nsw.edu.au
- Blanket registration will not be accepted (ie. All this week/month/term)
- All registrations should be received at the office **the day before** the student is to attend. No registrations will be accepted on the day of Homework Club
- Afternoon tea will be provided in the foyer of the library
- The club will commence at 3:30pm sharp and conclude at 5:00pm
- Parents may collect students from the Library office from 4:30pm
- It is important that students be picked up by parents on time (students will be in the administration foyer from 5:00pm)
- If a session needs to be cancelled (less than 3 students), parents will be notified by 1:00pm that day
