

## YEARS 7 – 12 ASSESSMENT TASK MISADVENTURE FORM

Please complete the following form indicating the nature of the misadventure preventing your son/daughter from completing this assessment task. This information will enable the school to determine whether or not the same task, an alternative task or an estimate should be given. Alternatively, if the misadventure application is not upheld, a marks penalty and after school detention will apply.

Students away from school on the due date of an assessment task should, if possible, submit the task by 9:00am on the due date. This can be done in writing via a sibling, or by email, fax or Google drive. If this is not possible this **misadventure form must accompany the task and be submitted on the first day of attendance back to school.**
